RULES

USEF Rules Regarding Horse Recording

Any horse competing in a USEF local member competition must at least have a Horse ID number ("HID") through the USEF. For Local Member Competitions such as the WJHA shows, or for competitors not interested in year-end points at rated shows, the **Horse Identification Number ("HID")** is a simple and low-cost option. You can obtain an HID number at the horse show office prior to the show, however, *beginning in 2007, the USEF has imposed a \$10 USEF administrative fee for HID numbers issued at a competition.* A free HID can be easily requested in advance through the USEF web site, at www.usef.org. The horse owner is not required to be a USEF member to obtain an HID.

We strongly encourage anyone who is unsure if their horse is recorded to visit the USEF web site at www.usef.org/content/searches/horseRecordingSearch/ and double check. Recording your horse online will take only a few minutes and will save you time and money in the horse show office.

For informational purposes only, other recording options and requirements are discussed below:

The USEF's Horse Recording Number is required in order for a horse to accrue year-end points for USEF RATED competitions. There is a fee for the Horse Recording, and it can be purchased as a lifetime number or renewed annually, just like you would renew your own USEF membership. The horse owner must be a USEF member to obtain a Horse Recording number. Go to www.usef.org for online membership and recording information.

Rules Regarding Horse Recording for "A" Shows

Beginning in 2009, any horse participating in a USEF Rated competition must be recorded with the USHJA. Specific information regarding this rule change can be found on both the www.usef.org and www.ushja.org websites.

This rule change does not apply to the WHJA Local Member shows.

USEF Rules Regarding Minors Operating Motorized Vehicles:

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds. Minors who have a valid temporary license may operate the above described motor vehicles as long as they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with USEF rule 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

RULES

Rule Change Effective 2010:

Large Pony fence height change: The Large Pony Hunter division fence height has been changed to 2'6".

WHJA POLICIES

BEGINNER RIDERS: Competitors in the Beginner Rider Hunter and Beginner Rider Equitation divisions who have won three (3) blue ribbons *over fences* (between Hunter and Equitation) at USEF-recognized shows are ineligible to compete in a Beginner Rider division the following year.

ATTENTION TRAINERS:

The September class schedule will run both the Hunter and Equitation classes for these divisions on Sunday.

CLASS SPLIT POLICY: Beginner Rider classes will be split if there are 12 or more entries. All other Hunter and Equitation classes will be split if there are 16 or more entries.

Low Adult Amateur Equitation ***New Division introduced in 2008***

The WHJA is pleased to offer a division tailored for adult riders who love the challenge of showing but are not ready for bigger fences or more complicated courses, and, would prefer to show against other adults. The Low Adult Amateur Equitation division is open to horses or ponies ridden by a non-professional adult rider age 18 and over who is a beginner rider. Fence heights for this division are 2'. Riders may not cross-enter into any other division at the same show except Low Adult Amateur Hunter. Once a rider enters **any** class with over-fence specifications higher than 2' (except their age group equitation flat class), they are no longer eligible for this division. Classes may be combined with Long Stirrup division if entries warrant. Riders may remain in this division until they have won six (6) blue ribbons, but will keep their eligibility for the entire year.

The WHJA is proud to participate in the USHJA Affiliate Equitation Awards Program

Specifications:

This Equitation Award program is available through Medal Classes at *local-member* horse shows recognized by organizations that are Affiliate Members of the U.S. Hunter Jumper Association (USHJA). Riders may choose to participate by competing in Medal Classes at WHJA-recognized local-member horse shows. The rider must be an Outreach, Associate, or Active Member of the USHJA for Medal Class points to count toward this USHJA year-end award. Medal Class points accumulated at WHJA-recognized local-member shows throughout the competition year will determine the year-end award winners.

The top ten point earners in each Medal Equitation section who are USHJA Members at the Outreach level or higher will be awarded a special USHJA keepsake. In addition, the top USHJA-member point earner in each of the Medal Equitation sections receives a USHJA high score award and their photo in the Affiliates Award Yearbook that the USHJA publishes annually.

USHJA Membership Requirements for Participation:

The purpose of the Affiliate Equitation Awards Program is to increase the USHJA's outreach in the equestrian community, by further informing and educating individuals who participate in equestrian sports at the unrecognized and local horse show level. To encourage participation, the USHJA has created a new Outreach membership level which, for an annual fee of \$15, provides access to USHJA resources, including a subscription to *In Stride* magazine and bi-weekly emails of important news, reminders, resources, and information. Online membership enrollment or a membership form are available at www.ushja.org. You may also join the USHJA through the horse show secretary, however, your membership must be completed *prior* to participating in a medal class for points to count toward this award.
